LONG REACH SCOOP

A heavily constructed scoop ideal for use in foundries and where exact measurement of materials is not critical. Fitted with heavy duty locking catch for long life. Automatically re-locks when lowered to the ground. As their name suggests, these scoops reach out beyond the forks, allowing a long reach. It must be noted, therefore, that longer forks = lighter load.

TECHNICAL DATA

Model No	Capacity Cu Mtr	Min Truck Capacity Kgs	Max Fork Size Mm	Fork Spread Mm	Bucket Width Mm	Bucket Height Mm	C of G Mm	Weight Kgs
LRS25	0.25	1500	150 x 60	886	1000	367	600	180
