DRUM GRIPPERS

Type DGF fork mounted for 1 or 2 drums. THE drum handler for stacking, packing and racking most types of drums, including most types of steel, plastic and fibre without the need for pallets.

Each Drum Gripping head grips the rim of the drum, allowing drums to be stacked high and tight and to be handled safely. Heads are fully serviceable, using genuine replacement parts, to give unrivalled levels of service and reliability. Also available carriage mounted for 1, 2, 3 or 4 drums.
