SAFE ACCESS PLAFORMS

- Access Platforms perform a variety of tasks but are particularly suitable for high-level routine maintenance, inspection and stocktaking.

Standard Features (all models):

- Generous size self-draining non-slip bases.
- Four sided kick plates to prevent tool or component loss.
- Fork heel locking pins for safe attachment to truck.
- Fully tested with certificate.
- Finger mesh protection.
- Automatic locking on gate models.

Optional Extras (all models):

Safety Harness completed with Restraint Lanyard

Tool Tray
